The out-of-pocket fees for the elective options listed above **DO NOT include any deductible**, coinsurance or co-payment amounts which may apply towards your cataract procedure. Please contact your insurance company to verify your total out of pocket expenses.
 Please call your cataract surgery counselor, Kim Hannon RN, at 585-593-6041 or 716-372-8642 if you have not received your eye drops or have made a payment. All Lifestyle and Toric lens patients will be provided with an adequate supply of prescription eye drops. Payment is due one week before your scheduled procedure. Thank you!
